

Guide band Merkel® KFB 9287

DESCRIPTION

- Cut to size ready for installation
- Slotted

FUNCTION

- For installation spaces in accordance with ISO 10766, among others
- Dissipation of transverse forces
- Guiding of pistons
- Reduces the danger of metallic contact

PRODUCT ADVANTAGES

- Low friction
- Market-leading, proprietary design with the widest range of applications in all industries and for a variety of requirements
- No stick-slip effect
- Highest quality, durability and safety
- Best results in total cost of ownership

DESIGN GUIDELINE

- Sharp edges deburred or chamfered or rounded

CONFORMITY AND CERTIFICATES

- Please consult the material data sheet valid for the respective material for current information on approvals and certificates, as this information depends on the compound and cannot be listed exhaustively here.

INSTALLATION GUIDELINE

- No machining residues, chips, dirt, etc.
- When installing, do not pull the guide strip over sharp edges, threads, or keyways
- Please follow the QR code or hyperlink to the technical manual to obtain further information and instructions.

STORAGE ADVISE

- Storage temperature <25°C
- No direct heat sources
- No direct sunlight
- No condensation in the storage room
- No exposure to ozone or ionizing radiation
- Recommendations based on the revision of ISO 2230 dated 16.09.1992
